# Don't Forget The Sun

👁 31 ✓ 1 ★ 2

## Chapter 1 by Jack Frost

"Well i know your laying back, contemplating your own death.Well just look at what you've done.Don't you dare forget the sun, love."-Get Scared

I've been staying in my room for 7 days now.Watching anime, and eating ice cream refusing to go into the sun.

I forgot what it looks like, and how it feels.Yesterday I heard a big explosion and people screaming, but I don't care.I'm staying here even if the end of the world is happening right outside that door.

My mother told me if all i was gonna do was sit in my room and watch anime, then i might as well stay here.But my motto is "if your gonna live watching anime, your gonna die watching anime."

## A loud scream is heard outside

I looked up startled.Something was banging on my door.

Did i want to open it or finish watching my episode of Shimoneta?

"Damn!"I paused my episode, and walked over to the door.

"Hold on i'm coming" i unlatched the lock and opened the door

The creature jumped on me, and pushed me to the ground.

"GET OFF!"I pushed him off of me.

Dead in my tracks i stopped.

## Chapter 2 by Lewis Peterson

As I flee for my life, I regret wasting my time watching anime. I'm extremely out of shape. My lungs burn. And the creature's coming at me. And I'm getting tired. And the creature doesn't get tired. And I'm going to die. I'm going to die.

"I'M GOING TO DIE!!!!!!!!!!!"

I was the one who let the sun in.

I was the one who let it into my house.

I let it chase me out of my house.

My lungs burn, and I'm crying.

I regret everything.

I regret forgetting the sun.
